REGISTRATION & PRE-PAYMENT**

Pre-registration is necessary to confirm the availability of the slot you have chosen. This can be done by checking the program slot online at SEATRU website and sending an e-mail to us at turtle@umt.edu.my.

In addition to availability of volunteer slots, you are also required to sign a statement to declare that you are physically fit and able to undertake the rigours of night patrols and other physical tasks involved in the program without any special assistance. We reserve the right to reject your registration if information provided by you is incorrect.

For Malaysian, pre-payment of RM 300.00 must be made upon confirmation of availability of the slot chosen. The balance of the payment will be made upon arrival on the first day of your Volunteer Slot. Foreign volunteers are required to make a full payment during pre-registration.
